Registration on contest day will be possible (at latest 1 hour before 1st start).

Group arrangement and quartz will be announced on the ECO-IDC site and on the Lipo Masters site.

Start : First race Saturday 10.00 AM, opening at 09.30 PM
First race Sunday 09.30 AM
Can change depending on number of participants.

Fare : Seniors : 8 € - Juniors : 0 €

Awards : Trophy for the first three places in every class when 5 participants by class.
Race certificate for all racers.

Rules : ECO-IDC / LM rules (2S/4S). 3S/6S is allowed but without ECO-IDC / LM year ranking.

Assessment : Two races out of three/four depending on number of participants.

Remaining : Electric power is available, please bring your power cord. Chelster, tabs and chairs to be brought personally. On contest day, before starting, please report to Ivo Boecksteys your ECO-Class which has to be used for the idc cup (if you race in two or three classes).

There is a cafeteria on site. Saturday evening we organise a diner, those who are interested please inform us with your registration email. Breakfast on Saturday and/or Sunday morning is possible, please inform in your registration email.
Access to the water by the car to load and off-load.
The results are taken into account for the IDC 2011 and Lipo Masters 2011.

Liability:

The participants compete on their own risk. Every competitor should be amply insured. The organizer assumes no liability for damages which could result from participation in the event. Whoever caused the damages, participants or visitor. Furthermore the participant obliges himself to follow all instructions of the organizer. With a written registration the participant recognizes this regulation.

A place to stay:

The race site is on a camping, so there are plenty of camping possibilities. There are also caravans for rent. Information and booking: schoonhoven@live.be <http://www.schoonhoven.be/tarieven.html>
